

CONFERENCE PROGRAM

Seminar on Interventional Spine Care

Moderator: Dr. Witsanu Kumthornthip & Dr. Pranathip Rinkaewkan

10 September 2015

Time	Program	Speaker
08:00 - 08:50	Registration	
08:50 - 09:00	Opening Remark	
09:00 - 09:30	History and Future of PMR interventional spine care	Matthew Smuck
09:30 - 10:15	Basics of spine biomechanics	Matthew Smuck
10:15 - 10:30	Coffee Break	
10:30 - 11:00	Core stabilization	David J. Kennedy
11:00 - 11:30	Spine differential diagnosis	Matthew Smuck
11:30 - 12:00	Patient selection for spine injections	David J. Kennedy
12:00 - 13:15	Lunch Break	
13:15 - 14:00	Spine imaging interpretation	Matthew Smuck
14:00 - 14:45	Complications from spine procedures	David J. Kennedy
14:45 - 15:00	Coffee Break	
15:00 - 16:15	Discogenic pain: Diagnosis and therapies	Matthew Smuck
16:15 - 16:45	How technique and research can improve outcomes	David J. Kennedy

11 September 2015

08:30 - 09:00	Are steroids effective for lower back pain?	David J. Kennedy
09:00 - 09:30	Predicting response to epidural injections	Matthew Smuck
09:30 - 10:15	Maximizing safety during epidural steroid injections	Matthew Smuck
10:15 - 10:45	Coffee Break	
10:45 - 11:15	Facet Arthropathy Management / Injection	David J. Kennedy / Matthew Smuck
11:15 - 12:15	Comprehensive sacroiliac joint	David J. Kennedy
12:15 - 13:30	Lunch Break	
13:30 - 14:00	Hip VS Spine	Matthew Smuck
14:00 - 15:15	Shoulder VS Neck includes shoulder MRI review	David J. Kennedy
15:15 - 16:15	Ultrasound-guided spine interventions	Matthew Smuck
16:15 - 16:30	Closing Remarks	
	Followed by Coffee Break	

Hands-on Workshop in Musculoskeletal Sonography

Moderator: Wipoo Kumnerddee

10 September 2015

Time	Program	Speaker
08:00 - 08:50	Registration	
08:50 - 09:00	Opening Remark	
09:00 - 09:30	Introduction to MSK US	Montana Buntragulpoontawee
09:30 - 10:15	Lecture on sonography workshop on Elbow	Yi-Chian Wang
10:15 - 10:30	Coffee Break	
10:30 - 11:15	Hands-on sonography workshop on Elbow	Yi-Chian Wang
11:15 - 12:00	Lecture on sonography workshop on Wrist	Chueh-Hung Wu
12:00 - 13:15	Lunch Break	
13:15 - 14:00	Hands-on sonography workshop on Wrist	Chueh-Hung Wu
14:00 - 14:45	Lecture on sonography workshop on Hip	Yi-Chian Wang
14:45 - 15:00	Coffee Break	
15:00 - 15:45	Hands-on sonography workshop on Hip	Yi-Chian Wang
15:45 - 16:30	Lecture & Workshop on sonography on Peripheral Nerves	Chueh-Hung Wu
16:30 - 16:45	Questions & Answers	

All presentations will be in English.

The schedule/program may be subject to change.

Concurrent event:

7th International Exhibition on Hospital, Diagnostic, Pharmaceutical, Medical & Rehabilitation Equipment & Supplies

10 – 12 Sep 2015

QSNCC • Bangkok, Thailand
10.00 am – 6.00 pm

www.medicalfair-thailand.com

MEDICAL FAIR THAILAND returns to Bangkok for its 7th edition, continuing its exponential growth path as the medical landmark event.

Do not miss this premier exhibition where industry professionals discover up-to-date technologies and the latest in medical and healthcare solutions.
